

Egyptian Event Europe 2011

- Mr. Jerzy Bialobok (Poland)
- Mr. Rhodri Jones (UK)
- Mr. Joseph Polo (USA)
- Mrs. Irina Stigler (Russia)

Method of judging

In hand classes

Type, **head, neck and shoulder**, body and top-line, legs and movement will each be awarded points from 1-20 by each of the judges. Half points will be given.

Type will be multiplied by 2.

Rules for ties

In the event of a tie, the higher place will be given to the horse with the most points for type. If there is still a tie the higher place will be given to the horse with the most points for movements. Failing a decision on either of these, the judges will be required to state their opinion.

Championships

The first three horses in each class qualify automatic for the appropriate championship + the fourth with the highest score from all classes.

In case of 4 classes (Senior classes) the first two will qualify + the two horses with the highest scores from the third place.

The champion (Gold) will be selected from **all** horses in the championship. When the champion has been selected the reserve (Silver) and Bronze will be selected in the same way.

If a horse is unable to compete in the championships the horse with the highest points that wasn't already qualified for the championships may compete. The female and male with the highest scores will receive an award. There will be also given a trophy to the best horse in the show, chosen out the 4 champions. This horse will be awarded BEST STRAIGHT EGYPTIAN HORSE of 2011. Also new is the BREEDERS TROPHY awarded to the breeder who entered at least 2 horses with the highest scores.

Championships of the non-professional handlers cup: the first of the class will automatically be champion and the second of the class will automatically be reserve champion.

The BEST in Show will be chosen from the four champions.

In hand classes

Only one handler per horse is permitted in the ring. Assistant is allowed in the ring.

The horses must be shown with normally accepted bridles or head collars which are of sufficient strength to ensure the horse does not get loose in the ring. Colts and stallions aged 3 years and over must wear a bit. The penalty for owners of the horses which get loose in the ring will be an immediate fine of €100 for each offence and the horse will be shown last in his class.

Prizes and rosettes

All horses competing will receive a rosette and a memorial. The first placed horses receive a trophy. All champions and reserve champions receive a trophy.

The closing date of the entries is 25th of June 2011. Late entries are possible by paying double entry fee. Entries and stable reservations must be made on the appropriate form.
