

Stud Farm Tour Italy 5th – 7th September 2018

Italy is the goal of our stud farm tour this year after the Egyptian Event Europe.

Members, non-members, visitors and foreign guests are invited to register for our bus tour starting from Venice through Bergamo and Perugia to Florence. Non-members pay an extra fee of € 100 equivalent to one-year membership in the PSE.

We are going to visit different training centers, stud farms and breeders. For the preparation of the tour it is absolutely necessary to know the number of participants. There is a reservation for the bus and the hotels. All interested persons will get a list of the hotels immediately after registration and everybody can proceed with individual booking from the reservation pool of the PSE.

We are looking forward to having an interesting tour together with you!

Please register a.s.a.p. Deadline is the 15th of August!
